Skin Treatments

THE KEY TO BEAUTY IS CLEAR, HEALTHY SKIN

Canada MedLaser Clinics brings a new approach to restore and maintain your skin health by using advanced technologies with a dedicated and professional team. We offer a full suite of incredible treatments to help you achieve the skin you immensely deserve.

MEDICAL PEELS | STARTS AT \$159 (FULL FACE)

Smooth the appearance of fine lines, wrinkles and diminish active acne. Optimal results are obtained after multiple sessions. Our peels involve applying light layers of an acidic treatment to remove the uppermost skin layer and reveal a beautiful, youthful luster of new skin.

ACNE/ACNE SCARS | STARTS AT \$176 (FULL FACE)

Effective combinations of techniques and technologies designed to clear acne, reduce pores and remove excess oil while killing bacteria. Enjoy a clear complexion as pits and scars are diminished and collagen production levels increase.

VASCULAR & PIGMENTED LESIONS | STARTS AT \$189 (FULL FACE)

We offer preferred treatment procedures for the removal of multiple types of lesions, including cherry hemangiomas, port-wine stains, facial vessels, leg veins, brown spots, freckles, rosacea, or sunspots. Our ground-breaking technology provides a safe delivery of laser to the treatment area for optimal results. Laser and light treatments may restore an uneven skin tone and youthful appearance without pain or downtime.

MICRONEEDLING | STARTS AT \$360 (FULL FACE)

A rejuvenation process stimulates the layers of the skin triggering collagen and elastin regeneration. With the use of tiny microscopic needles, Microneedling plumps the skin, accelerates scar healing, and helps retain skin's moisture level for a soft and refreshed feel. Recommended to combine with medical peels or PRP.

PRP - SKIN REJUVENATION AND FACELIFT | STARTS AT \$455 (FULL FACE)

PRP facial rejuvenation is a treatment which stimulates collagen production with the infusion of your body's platelet-rich plasma (PRP). It invigorates the skin naturally, leading to a fuller, tighter, youthful complexion with little downtime.

CO2 LASER FRACTIONAL RESURFACING | STARTS AT \$1,125 (FULL FACE)

Co2 Laser Fractional Resurfacing is one of the latest advances in nonsurgical skin treatments. It effectively reduces and eliminates acne scars, superficial hyperpigmentation, and fine lines with minimal treatments and downtime.

MELASMA TREATMENT | STARTS AT \$1,250

Our new innovative Melasma treatment is a facial masque which provides stunning results in as few as one session. With a 99% patient satisfaction rate, it offers no risks of adverse effects and leaves your skin with an even tone and texture.

Unlimited Laser Hair Removal

Canada MedLaser Clinics' revolutionary laser hair removal system uses advanced technology to eliminate hair and its ability to grow back – permanently.

Ideal for all skin and hair types, the gold standard GentleMax Pro laser, uses both ND:Yag and Alexandrite technology, which controlled by a technician. It is an effective, safe and comfortable treatment and by pulsing twice per second, it also works incredibly quickly, allowing you to come during your lunch break as full leg treatment may be completed in under 20 minutes.

We are confident in our technologies and are committed to your treatment's success. Canada MedLaser Clinics is the only chain that offers unlimited hair removal packages and guarantees results.

No more shaving, waxing or tweezing. It is time to enjoy baby smooth skin under the arms, face, legs, and in those intimate bikini areas.

Now you can wear what you want, when you want!

Body Treatments

COOLSCULPTING

Freeze away stubborn fat with this advanced, non-invasive technology that eliminates fat cells – permanently. CoolSculpting targets and freezes pockets of fat, allowing your body to naturally and safely dispose of crystallized, and frozen fat cells without damaging the skin or surrounding tissue. Over time, your body removes the dead cells, showing your new sculpted figure. You will drop inches in all the right places for a beautiful and lovely body contour that looks great in a summer dress or swimsuit, and say goodbye to unwanted fat forever!

COOLSCULPTING FOR DOUBLE CHIN - COOLMINI

Using a specially designed applicator, the CoolMini can target stubborn fat pads in the jaw and chin area. The treatment destroys the fat cells and promotes shaping of the treated area, giving you a sculpted facial appearance and the added benefit of a younger look.

CML in the community

Canada MedLaser Clinics' upmost and forward priority is to support and harness its resources in the effort of building a stronger and unified community. We believe that by providing equal opportunities to members of our community, we help in creating an egalitarian and fair society.

We aim to inspire women and men into becoming whole with themselves and we know that people who look good, feel good. We also know that a good deed has the nature to inspire others to do good as well.

As part of our agenda, Canada MedLaser Clinics has partnered with local causes to provide monthly pro bono treatments dedicated to members of our community who struggle with aesthetic conditions, which prevent them from fulfilling themselves and who otherwise could not have enjoyed the benefits of our treatments. Members whose conditions affect their day to day routine and could benefit from advanced and innovative medical aesthetics procedures for conditions such as Acne scars, deep pigmentation, hypertrichosis and more.

Because we believe that everyone should have the chance to feel good and to look good, we also extend a periodic Facebook Community Contest in which one complimentary service will be given to any member of our community. To enter to win a cosmetic treatment for yourself or a loved one, or if you would like to suggest a cause or nominate someone who struggles with an aesthetic condition, please visit our Facebook page.

Cosmetics Injections

BOTOX COSMETIC | STARTS AT \$9/UNIT

This fantastic, in demand treatment softens facial wrinkles and folds common to the forehead, brow, frown lines, and around the eyes (crow's feet) The non-surgical treatment uses tiny needles to comfortably inject in the treatment area, which shows a quick improvement on facial wrinkles with a natural appearance and results which last from four to six months.

BOTOX FOR HYPERHIDROSIS | STARTS AT \$8.5/UNIT

Hyperhidrosis is the medical term for excessive sweating. A condition which can significantly affect your quality of life and impact on self-confidence. Botox treatments benefit areas such as the underarms, palms, scalp and forehead, feet, groin or any other area with excessive sweating.

DERMAL FILLERS | STARTS AT \$550

Dermal fillers are designed to add fullness to your face, providing a youthful, plump appearance. By adding volume, you can volumize the lips, contour deformities, decrease the shadow of the under eyes, enhance shallow contours, and improve the appearance of recessed scars. Filler also acts as an optimal anti-aging treatment by softening facial creases and wrinkles.

Beauty Treatments

AQUAPURE FACIAL | STARTS AT \$187.5

A signature treatment with the AquaPure technology delivers 3 stages of treatment AquaPeel a gentle, yet effective microdermabrasion in which we infuse vitamins, hyaluronic acid, and Aquaxyl. The treatment enhanced by Electroporation & Microcurrent. The procedure revitalizes dull, dehydrated skin leaving it radiant, lifted and toned. The procedure improves the markings left by acne, acne scarring, and sun damage without altering your skin's integrity.

MICROBLADING | \$ 475

A semi-permanent brow tattoo, the microblading procedure involves drawing feather-like hair strokes, using a fine blade. The natural-looking effect of microblading has made this technique quite popular. This technique will fit everyone who seeks fuller eyebrows without the hassle of applying brow makeup daily, and benefit those who have lost their brows due to old age, genetic disturbance, chemotherapy, or ailments such as alopecia.

PERMANENT MAKEUP / SEMI-PERMANENT MAKEUP | STARTS AT \$395

By finely tattooing around the treatment area, women and men can enjoy the cosmetic benefit of essential makeup without the need to apply it daily. A top-quality pigment is applied to a superficial depth of the skin, giving you a bold, distinguished look. This technique is ideal for eyeliner, lip liner, freckles, and even to help mimic scalp hairs. It may be done in any color or shade.

VIVIER PHARMA - MEDICAL GRADE SKIN CARE

A proper home care regimen is an essential element of any successful medical esthetic procedure which takes place in the clinic. The use of medical grade skin care will enhance your treatment results and will nurse your skin with all the nutrition and vitamins it loses daily. Vivier Pharma is a leading brand which brings the highest standards and a pharmaceutical approach to skin care products.

Treatments from Head to Toe

HAIR GROWTH | STARTS AT \$750

PLATELET RICH PLASMA THERAPY

The tools to regrow your hair are in your own body. PRP therapy works by extracting the plasma from your own blood, which is rich with vital components and stem cells, and reintroducing it back into the scalp. Your blood helps your hair grow naturally without surgery, toxins or other potentially harmful methods. If you've been let down by other hair growth approaches and have resigned yourself to thinning hair, PRP could be the solution.

Nail Fungus

NAIL FUNGUS | STARTS AT \$122.5 (MINOR CONDITION)

Experience permanent results of healthy nails with natural laser treatments that are quick, non-invasive, and effective. Lasers will only target the nail fungus but also the adjacent nail tissue. Wear open toe shoes and flip-flops with confidence.

"You want to feel like JLO go here! Candle lights in the washrooms, the place smells like magic, someone always greeting you with a big smile and asking if you would like something to drink. It's a 10 Star professional spa, with experienced clinical staff. They are extremely accommodating, patient, polite, friendly and REAL!! No wonder the place operates above and beyond normal standards - Margarita clinic director is hands down the best I have ever seen in 10 years of working in corporate healthcare institutes! Mable and Roza are so damn good at their job with solid experience. Customer satisfaction and loyalty is their number one priority. Thank you, guys!"

Haleh R. (Yelp review)

"I am so happy with the results after just one treatment!! I can't believe I suffered for so long - embarrassment, being-self-conscious, and really just stifling my own growth and development. This was one of the easiest and best decisions I've ever made! Huge shout-out to Madeleine at the Vaughan location for being kind, patient, personable and professional!"
